

come to the HAWAIIAN HARVEST

Four Big Hawaiian Sale Days
 THURSDAY-FRIDAY
 SATURDAY-SUNDAY
 JANUARY 12-13-14-15

We can't think of a place that we'd rather be these wintry days than Hawaii. But since we're like most everybody else in this world and have to stay in the store to make a living we're doing the next best thing to taking a trip—we're transforming the Fabulous F. G. into a paradise Isle. We've got palm trees, fish nets, pretty girls in grass skirts, demonstrations of tropical foods, and some very hot prices that should raise the temperature several degrees. Come on in and say Aloha — who knows, maybe you can save enough on your food needs to take a real trip some day.
